Welcome to 1630 Ringfield Dr, a well-maintained bi-level in Lehnert Farm offering the space, flexibility and updates buyers are looking for. The main level features an inviting open floor plan with beautiful real hardwood floors flowing through the great room, dining area and kitchen. The updated kitchen is designed to impress with solid wood cabinetry, granite countertops, custom backsplash and stainless steel appliances.

The spacious primary bedroom offers new carpet and plenty of closet space, while the updated full bath features a relaxing soaker tub, updated flooring and vanity, beautiful tile work and modern light fixtures.

Downstairs, the finished lower level adds an entirely separate living space with a large family room and updated half bath, ideal for a second family room, home office, guest area, playroom or entertaining space. With two distinct living areas, the home offers the flexibility to adapt to the way you live.
